

Automotive Employers

it's your time to shine!

Can you offer students experience in one or more of the following?

- ✓ Introduction to basic troubleshooting
- ✓ Workshop safety
- ✓ Use of hand and selected power tools
- ✓ Remove and fit wheel assemblies
- ✓ Cleaning of the workshop
- ✓ Prep for basic panel and paint work
- ✓ Wash/clean vehicles and engine compartments
- ✓ Observation of quoting and estimation processes

If so, be part of a brighter future and skill up the next generation of employees.

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.

So act now and start seeing the benefits of the younger generation for your business training.

It's easier than you think!
