

Construction Employers

it's your time to shine!

Can you offer students experience in one or more of the following?

- ✓ Using small plant equipment & static machines
- ✓ Preparing for brick/block laying
- ✓ Using hand and selected power tools
- ✓ Assembling simple partition frames
- ✓ Concreting to simple forms
- ✓ Workplace health & safety requirements
- ✓ Reading and interpreting plans
- ✓ Handling construction materials and safe disposal of waste

If so, be part of a brighter future and skill up the next generation of employees.

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.

So act now and start seeing the benefits of the younger generation for your business training.

It's easier than you think!
