

# Electrotechnology Employers

*it's your time to shine!*

Can you offer students experience in one or more of the following?

- ✓ Using basic hand tools
- ✓ Electrical circuit testing
- ✓ Basic welding processes
- ✓ Sheet metal forming and assembly
- ✓ Cabling/wiring assemblies
- ✓ Produce from basic sketches electrical wiring diagrams
- ✓ Electrical calculations - voltage, resistance & amperage
- ✓ Routine electrical & electronic component assembly

If so, be part of a brighter future and skill up the next generation of employees.

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.

So act now and start seeing the benefits of the younger generation for your business training.

**It's easier than you think!**
