

# Entertainment Employers

*it's your time to shine!*

Can you offer students experience in one or more of the following?

- ✓ Assist in making costumes and sets
- ✓ Moving and setting up instruments and equipment
- ✓ Ushering patrons
- ✓ Recording and editing sound or video
- ✓ Designing, applying & removing make up
- ✓ “Bumping in” or “Bumping out” for the show
- ✓ Using and adapting to changes in technology
- ✓ Selling products & services to patrons

If so, be part of a brighter future and skill up the next generation of employees.

Work Placements and School-based Apprenticeships & Traineeships are excellent opportunities for students to gain valuable experience in workplaces while still at school.

So act now and start seeing the benefits of the younger generation for your business training.

**It's easier than you think!**
